

Cristo Rey De La Salle East Bay High School Announces Significant Gift from the Pond Family

"My family is honored to support Cristo Rey De La Salle High School. The school provides transformational opportunities to its students and staff."

Randall Pond

The Pond Family

Randall and Cindy Pond, along with their daughters and their husbands, Caitlin and Trevor Vonnegut and Marisa and Sean Rudford, have pledged \$250,000 in support of Cristo Rey De La Salle East Bay High School, St. Elizabeth Campus.

This generous investment will support CRDLS' rigorous and personalized college preparatory curriculum, which is integrated with a corporate work study experience to prepare students from historically underserved communities to succeed in college and beyond. Each member of the school's first graduating class, the class of 2022, was accepted to at least one four-year university and the class as a whole was awarded over \$2.7 million dollars in college scholarships.
