BE A PARTNER IN POSSIBILITY

POWERED BY PURPOSE. SUSTAINED BY PARTNERSHIP.

Cristo Rey Students Are Building Bright Futures.

Will You Join Their Journey?

At Cristo Rey De La Salle, students are not waiting for someone to open the door, they're already walking through it — excelling in college-prep classes, leading clubs, working professional jobs, and setting bold goals. What makes this model work? Everyone contributes.

- Students earn nearly half their tuition through corporate work study
- Families invest what they can
- And the remainder? That's where partners **like you** make a difference

Supporting the brilliance already in motion, your contribution ensures the full Cristo Rey experience — academic excellence, work experience, and holistic support — remains possible and accessible for every student.

From transportation to teaching, college counseling to club activities, art to athletics, your gift powers the daily rhythm of school life. It creates room for students to lead, grow, and thrive without unnecessary barriers. Because when students aren't navigating preventable obstacles, they can focus on doing what they already do best:

working hard and dreaming big.

REAL STUDENTS.
REAL STORIES.
REAL IMPACT.

Major: Pre-law

Work Study: Because People Matter

“Cristo Rey feels like family. The teachers, the programs—everything is built to help us succeed. Math used to be hard for me, but Mr. Weiss makes it so interactive and he’s so supportive - I actually enjoy it now.”

Dream College: Stanford

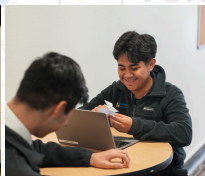

Major: Pre-med

Work Study: Dignity Health

“I chose Cristo Rey because I want to go to college. I came here for the quality education so I can get where I want to go. I love that if I’m stuck, teachers won’t just move on; they’ll figure out how to help so I can level up.”

Cristo Rey's model is unique: students work one day each week in professional settings, building skills and earning nearly half the cost of their education. Families contribute a modest amount depending on their financial capacity.

To complete the circle, we rely on philanthropic partners who believe that college-prep education should be accessible to every hardworking student regardless of zip code or income level.

When you make a donation you are investing in:

- Academic coaching and tutoring
- College application and scholarship support for first generation students
- Clubs, sports, and student leadership development
- A decade of 1:1 mentorship

YOU'RE NOT JUST FUNDING ACCESS. YOU'RE A PARTNER FOR POSSIBILITY.
